

REMARKS

This is a resubmission of the November 13, 2006 reply to the August 11, 2006 Office Action, as requested by the June 5, 2007 Notice of Non-Compliance for the parent divisional application again presenting allowed claims for consideration against the IDS submitting Japanese language documents with either translations or English language abstracts. This form of the claims was allowed in the allowing papers of September 19, 2007 for this case. Reexamination and reconsideration are respectfully requested. That is, claims 9, 11, 20 to 29 and 36 to 38 were allowed in the allowing papers of September 19, 2007.

To reiterate the status of the claims from the parent, please note that Claims 9 and 29 to 38 are allowable. Claims 6 to 8, 14 to 16 and 22 to 38 were previously canceled. Withdrawn claims 1 to 5, 13, 17 to 19 and 21 were also canceled. Claims 10 and allowable claim 12 were migrated to independent parent claim 9 and were thus also canceled. Claim 20 was amended to be dependent on allowable claim 9 rather than claim 10 which was incorporated into claim 9. Claims 11 and 20 are in dependent form and were amended to be dependent on allowable and generic claim 9.

All remaining claims are thus believed to be in condition for allowance.

Respectfully submitted,

Dated: October 31, 2007
